

Code 173 X 7/2

Mr. Quattlebaum, of the staff of the House Committee on Education & Labor, is compiling a third and final volume for the Committee to give a comprehensive picture as to the different ways in which the educational training programs of the Federal agencies are administered. ~~The expectations~~ He would like the following information regarding our training program:

1. Method~~s~~ of administration;
2. Levels of education involved in the training
 - a. elementary
 - b. secondary
 - c. higher levels
3. Geographical areas affected;
4. Number and types of persons affected (Federal employees, veterans, indians, ethnic groups, etc.)

He does not want any confidential information. I told him I thought we would require a letter, however I would check and call him back. .

Blc

Blc called Mr. Quattlebaum and requested a letter and informed him that we would give him an answer as soon as possible as he is in a hurry for the information.
